Village of Spencer

Outdoor Recreation Survey

The Village of Spencer is creating an *outdoor comprehensive recreation plan* for 2015-2020, and we would like your input. The five-year outdoor comprehensive recreation plan will be used to identify new projects for development as well as which parks need additional, repurposed, or reconstructed recreational facilities (like trails, buildings, or camp sites). This plan enables village eligibility for competitive grants of 50% from the DNR Stewardship Fund, and other federal sources, and for annual planning and budgeting.
